To Whom It May Concern

Re: **BRAYDEN JAMES YASUO HIRAKI**

Please accept this abbreviated letter of recommendation as an enthusiastic endorsement of Brayden Hiraki. Brayden is an 'Iolani student athlete who at the mid-point of his high school career is learning to balance his academic work with his athletic commitments. He has earned a cumulative gpa of 2.7 and is enrolled in a solid college preparatory curriculum.

I am happy to provide additional information directly to any coaches who may be interested in learning more about this outstanding young man. Please contact me directly at [tfleming@iolani.org](mailto:tfleming@iolani.org).

Sincerely,
